ERRATA

In *Mental Health Nursing* 27(7): 735–751, “Cognitive Intervention for Voice Hearers” by Margaret England, an error has been identified.

Page 747, Full Paragraph 1, Sentence 3, should appear as:

“One year following treatment, the BPRS hallucination and delusion scores of the cognitive nursing-exposed subjects declined by an average of 3.2 points out of 7, while those of the comparison group declined by an average of less than one third a point.”
