Statement of Retraction

We, the Editor and Publisher of Women & Criminal Justice, have retracted the following article:

Mark H. Heirigs and Matthew D. Moore “The Facets of Gender Inequality and Homicide: A Cross-National Examination”, *Women & Criminal Justice*, DOI: [10.1080/08974454.2019.1632773](https://doi.org/10.1080/08974454.2019.1632773), published online on 16 July, 2019.

The above article has been retracted as a result of the Editor and the Publisher determining, through post-publication review, that there is significant overlap in the underlying dataset and in the text, with a previously published article by the same authors, Mark H. Heirigs & Matthew D. Moore (2018) Gender inequality and homicide: a cross-national examination, *International Journal of Comparative and Applied Criminal Justice*, 42:4, 273–285, DOI: [10.1080/01924036.2017.1322112](https://doi.org/10.1080/01924036.2017.1322112).

We have been informed in our decision-making by our policy on publishing ethics and integrity and the COPE guidelines on retractions.

The authors of the article have been informed of our decision.

The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as “Retracted”.
