Erratum

In the *International Journal of Neuroscience* 2012;122:494–499 for the article “Cerebral Hypoperfusion and Cognitive Impairment: The Pathogenic Role of Vascular Oxidative Stress,” the authors have noticed an omission since publication. Their declaration acknowledging financial support from “the Fundamental Research Fund for the Central Universities” of China

was missing the grant number and should have read as follows:

This study was supported by grant number 30270483 from the National Natural Science Foundation of China and grant number 201130302020003 from “the Fundamental Research Fund for the Central Universities” of China.

The authors apologise for this error.
