AAC Editor's Awards for 2013

The AAC Editors and Associate Editors are pleased to announce the winners of the Editor's Awards for the most significant articles published in 2013:

Most Significant Research Article

Michael Barker, Sanae Akaba, Nancy Brady, and Kathy Thiemann-Bourque for *Support for AAC use in preschool, and growth in language skills, for young children with developmental disabilities*

Most Significant Student Article

Virginia Walker and Martha Snell for *Effects of augmentative and alternative communication on challenging behavior: A meta-analysis*

Congratulations to the authors for their outstanding contributions to the AAC journal.
