Ill-Min Chung, Min-A Yeo, Sun-Jin Kim, and Hyung-In Moon

International Journal of Food Sciences and Nutrition 2011; 62(3):215–218, doi: 10.3109/09637486.2010.503187

The peer-review process for all of the above articles was found to have been compromised and inappropriately influenced by the corresponding author, Professor Hyung-In Moon. As a result, the findings and conclusions of these articles cannot be relied upon.

The corresponding author and the publisher wish to retract these papers to preserve the integrity of material published in the journal. The publisher acknowledges that the integrity of the peer-review process should have been subject to more rigorous verification to ensure the reviews provided were genuine and impartial. The publisher apologises for any inconvenience rendered to the readers of the journal and wishes to assure the reader that measures have been taken to ensure that the peer-review process is comprehensively checked to avoid a similar error occurring.
