RETRACTION

Article title: “Adolescent Substance-Use Assessment: Methodological Issues in the Use of the Adolescent Drug Abuse Diagnosis (ADAD)”

Authors: Léonie Chinet, Bernard Plancherel, Monique Bolognini, Laurent Holzer, Olivier Halfon

Journal: *Substance Use & Misuse*

Bibliometrics: Volume 42, Issue 10, 2007, Pages 1505–1525

DOI: 10.1080/10826080701209275

Publisher: Informa Healthcare USA, Inc.

Due to an administrative error, one article has been published on two occasions. The journal would like to retract the paper by Chinet et al. as it is a replicated version of a paper by the same authors in Volume 40, Issue 3 (2005, Pages 405–425). The journal apologizes for this error.
