Title: Correction to: Dirty electricity, chronic stress, neurotransmitters and disease

Milham S and Stetzer D. (2013). Dirty electricity, chronic stress, neurotransmitters and disease. Electromagn Biol Med. Jan 16
Epub ahead of print

Following Early Online publication of this article, the authors have supplied an amended Declaration of Interest Statement. Please find below the amended statement:

Declaration of Interest:

David Stetzer is the owner of Stetzer Electric in Blair WI, USA. He flew from Wisconsin to help Samuel Milham deploy the filters and to monitor the oscilloscope recording process. David Stetzer did not gain financially from his participation in the study, and had no role in the study design, data collection, data interpretation, data analysis, or writing of this manuscript. The filters and lab tests were paid for with a small grant from the EMR Policy Institute with funds provided in part by Professor Martin Graham.
